

The Rules

It is your responsibility to ensure you read, understand and abide by these rules. There are changes to the rules from previous years.

1a: Entries must be made using the on-line entry via the website. www.chasewalk.org. Once monies are received they are non refundable.

1b: Entries must be from TEAMS of 4 to 7 people aged 14 or over on the day of the event and are current members of the Scout Association or Guide Association. None Scouting teams will be accepted at the discretion of the organisers but will only be considered from recognised groups with appropriate insurance and not from a group of private individuals.

1c: Entries will be closed when the maximum number of walkers is reached or on 28th February, whichever is the sooner.

1d: The organisers reserve the right to change any team name inappropriate to a Scouting event.

2: Each participant will be issued with a walk card at registration. THIS MUST BE CARRIED BY THE INDIVIDUAL WALKER and be produced and punched at each checkpoint reached.

3a: Participants may only retire at official checkpoints. If a checkpoint cannot be reached a message must be sent to the nearest checkpoint or, if appropriate, direct to walk control. The remainder of the team may continue the walk and be in the competition provided that they are 4 or more in number and carry the specified team equipment. Teams with less than 4 walkers remaining may join with other full or part teams to complete the walk but will not be eligible for trophies.

3b: Teams must keep together at all times. Retired walkers cannot continue with another team.

4a: Participants may be disqualified if:-

Any of the rules are broken.

The country code and rules of the road are disobeyed.

Members of the team do not keep together.

Recognised footpaths are not used or you do not walk carefully along road sections.

Checkpoints are not visited in the correct order.

ANY ASSISTANCE IS RECEIVED EXCEPT IN AN EMERGENCY.

In the opinion of a marshal a walker is unfit to continue.

A checkpoint is reached after its allocated cut-off time.

4b: Additionally participants will be disqualified if they are deemed to have received assistance from anyone other than an event marshal or event official except in the event of an emergency. Such assistance might be the provision of food, clothing, drinks etc from support teams. All competitors are required to carry all their own provisions for the duration of the event and to use the services provided by the checkpoint locations. The event organisers do not encourage the use of support teams as this can often cause conflict with the event and overwhelm checkpoint locations.
