

37th annual CHASE WALK

Saturday 14th March 2020

A competitive walk where we welcome participants from all over the country. Based from Beaudesert Outdoor Activity Centre in Staffordshire teams are able to camp on site and selected catering is available to book in advance.

We host two walks on the same day. The main walk is 38 miles and the Scout walk is 13 miles.

The Chase Walk is a 38 mile competitive walk across Cannock Chase in Staffordshire for competitors aged 14 and over. Explorers, Network, Active Support, Leaders and any combination - provided adults are registered on Compass you can take part. This event is also open to Guides and other recognised youth or community groups*.

The Scout walk is a 13 mile non-competitive walk for Scouts aged 10 ½ to 14. This is a test of their abilities and as such should receive appropriate training in advance of the event - leaders are not permitted to walk with them. We have never lost anyone yet but each team will be issued with a GPS tracker.

Check out the website www.chasewalk.org for information, rules and the link to our on-line entry and payment system (cheques can be sent if preferred). Please ensure that you read the rules fully before you enter your team(s).

Entries to both events are limited so ensure that you book early to secure a place.

Enquiries please email entries@chasewalk.org
